Mohammed Al Arfaj

+966 55 150 5223 | alarfaj.mohammeda@gmail.com

Education

University College London (UCL) — London, United Kingdom
Undegraduate Preparatory Certificate, Electrical and Electronic Engineering BEng — *Sep 2026 – Present*

KAUST Gifted Student Program (KGSP) — London, United Kingdom
Scholarship recipient at UCL, Electronic and Electrical Engineering — *2026 – Present*

Awards

Silver Medal | *International Physics Olympiad (IPhO 2026)* — July 2026
Bronze Medal | *IPhO 2025* — July 2025
2 Honorable Mentions | *Asian Physics Olympiad (APhO 2025 and 2026)* — May 2025 and 2026
Honorable Mention | *European Physics Olympiad* — June 2026
Honorable Mention | *TalTech Physics Cup* — May 2025
1 Gold, 3 Silver Medals | *Saudi National Physics Olympiad* — 2022 – 2024
Bronze Medal | *XXII Nordic-Baltic Physics Olympiad* — April 2025

Experience

National Team Member — October 2022 – July 2026
Saudi Physics Olympiad @ Mawhiba and KAUST

- Trained 2000+ hours in calculus-based classical, modern physics, sharpened creative and analytical thinking, derived advanced physics principles

International Student Trainee — Feb 2025
SIMETRI Foundation — *Jakarta, Indonesia*

- Conducted physics experiments solved 50+ problems in circuits, optics, thermal radiation; acquired fluency in data error analysis lab equipment

Lead Designer — Jan 2023 – May 2023
Aramco Formula 1 in Schools — *Dhahran, Saudi Arabia*

- Designed model car with 3D modeling software; Applied computational analysis of mechanical quantities ie drag force viscosity in modeling

Skills

Languages: Java, Python
Developer Tools: VS Code, Visual Studio, PyCharm, IntelliJ
Piano: Trained for 5 years
